SEPTEMBER EDITION

GOLF CLUB

September Golf Day

The winner of the Golf Game for the first Friday in September was John Minasi. The longest drive was won by Riccardo Pertile, and unfortunately there was no result for nearest to the pin.

The Golf Club would also like to thank Mark, Rob and Michael for joining them on the green back in June. It was a great day enjoyed by all parties.

FRECCIA AZZURRA SENIORS

The Freccia Azzurra Seniors Group would like to formally invite everybody to the Nonni Day on Tuesday the 1st of October. It starts at 11:00am and goes until 4:00pm. There will be plenty to do and heaps of activities, plus live entertainment! So come on down to the Freccia Azzurra Club for a day of fun, laughter and share it with your closest family and friends.

Contact Antoinetta at 0414 922 797 for bookings.

BOCCE 29th of September

Pasquale Ventieri Memorial Cup, mixed doubles tournament sponsored by the Ventieri Family. Starts at 9am at the Freccia Azzurra Club. Lunch available at \$25 a head. All are welcome!

POOL CLUB

The DDPL season is currently wrapping up with Finals being played out over the coming weeks. With Freccia teams still in the running for a shot at glory. It would be great to have a few more flags to proudly present at our club.

A kind reminder to all Freccia players, please encourage visiting members and assist them in brushing, blocking and covering tables after use.

Thank you to players who have adapted to our new practise fee system. And another thank you to those who have logged their name in the sign in book on top of the ball cabinet.

Finally, the pool club committee are in discussions with the Freccia Azzurra board regarding the possible relocation of our pool tables to the smaller space at the back of the venue, where poker is held on Sundays. We are committed to finding a solution which accommodates the potential turnouts on DDPL nights and Women's Superleague events. If you have any questions, please contact Stephen Brosnahan.

Kind Regards

Callum Herley

Freccia Azzurra Pool Club Vice President.

Hello and a Welcome to All,

We are already into September and summer and Christmas are on the horizon. The club has tried to keep the wave of excitement from the Republica Festa going, with some more new and exciting events, we have added the following events:

- Discoteca Azzurra – approximately 350 people
- Abruzzo Night – 280 people
- Grand Final Luncheon - 20th of September
- Tarantella Festival Dinner Dance - 22nd of September
- An Afternoon with Dean Canan - 6th of October
- James Liotta Comedy Show - 2nd of November

We have also launched a new menu featuring classic Italian dishes, some with a modern take. My favourites have been the Frutti Di Mare and the Rigatoni alla Vodka. In order for us to share this menu with you, we are now open for dinner on Tuesdays and Wednesdays (from 6-8pm) and Fridays and Sundays (from 6-7pm). We invite Members and Non-Members alike to come down and enjoy some good Italian cooking, with some even better company.

Booking for Christmas and New Years will be opening soon - look out for ticket release dates. This year we have decided to celebrate Christmas on Christmas Eve rather than on the day. We spoke to some Members and the idea of Christmas day for them was to be celebrating with their families at home. It gives us the chance to also allow our staff to spend time with their families.

Please read the "Members Message" for a better explanation as to how it will work this year. When booking, please ensure that you have a paid-up membership and your membership number handy. Keep an eye on our social media to stay up to date with everything that is going on.

Update on the Stadio Azzurri – we are currently in the middle stage of planning and our project management team has been working to understand the requirements of local council and are now at the next stage with more specific planning with Kingston council. They will be sitting in front of the City Of Kingston presenting the proposed plans in September, all going well. Once we have that approved the planning teams will keep working on costings etc, once that's done, we can sit with the members to talk about next steps. We can't talk about what this project will look like until we have done this first.

Wishing you all the best, and until next time, tell the people around you how much they mean to you. The world can be a difficult place sometimes and we need to share our love.

Sincerely
Mark Tarulli
